

February 27, 2024

Brethren,

March is here... That means St. Patty's Day, Mt. Moriah's "[Famous Corned Beef Dinner](#)," and attending our next Mentoring session!

Please circle your calendar for **Sunday March 24th, 5:00 pm to 7:00 pm** (at Mt. Moriah #28 Lodge). Our team of Master Mason's will be discussing, "The Grand Lodge of New Jersey's Constitution and By-Laws."

Mentoring meetings are meant to be informal, relaxed and enjoyable (pizza will be served). Understand, we don't expect you to be well versed in the subjects that are covered. We do encourage you to participate and seriously consider the information being presented. In general, find out why the brothers of Mt. Moriah #28 do certain things in a particular way. Most importantly, this event is meant to be amiable and connective. It's as much about being in lodge and our fraternity, as learning about the ways of masonic craft.

Give us two hours to increase your knowledge regarding our world-famous ancient institution and participate in sharing it amongst our members!

As someone who has strongly benefited from this program, I recommend that new Masons attend this meeting. I guarantee you will gain important knowledge in the aspects of masonry. (Some which are not apparent in lodge ritual.) I believe these congenial sessions benefit our senior and more knowledgeable brethren, as well.

Everyone, please come out and share the light within our fraternity!

SW Mike Aladich
